

ONE-DAY REGIONAL WORKSHOP ON “MARINE FISHERY RESOURCES OF ANDAMAN & NICOBAR ISLAND AND ECO-FRIENDLY FISHING METHODS” ORGANISED BY PORT BLAIR BASE OF FISHERY SURVEY OF INDIA

The Port Blair Base of Fishery Survey of India organized one-day regional workshop on “Marine fishery resources of Andaman & Nicobar Island and Eco-friendly fishing methods” on 30.01.2017 at the Nilambur, Baratang, North & Middle Andaman district. The workshop was organized in order to disseminate the information on the resources potential, availability, various eco-friendly fishing methods to exploit the abundant oceanic fishery resources as well as perches, optimum utilization of fishery resources and also to save the marine environment etc. for the benefit of local fishermen of Nilambur, Baratang.

The workshop was inaugurated by Shri R. Algarsamy, Zila Parishad Member North & Middle Andaman and presided by Shri Roy George, Pradhan, Gram Panchayat, Nilambur, Baratang.

The guest of Honor of the occasion, Shri Satish Kumar, Up-pramukh, Gram Panchayat, Nilambur, Baratang and Shri Motilal Soren, Sarpanch, Panchayati Samiti, Shri Bimal Bage, Up-sarpanch and PRI members are the special invitees for the function.

Besides the workshop, a Fishermen Rally was also conducted to spread the awareness among the fishermen community on Code of Conduct for Responsible Fisheries (CCRF). About 100 fishermen from Baratang and nearby villages from North & Middle Andaman were participated in the workshop as well as in the fishermen rally. The entire event was covered by the local news paper viz. The Daily Telegrams.
