

One Day Regional Workshop

On

Marine Fisheries Resources of Andhra Coast

The Visakhapatnam base of Fishery Survey of India organised a one day Regional Workshop on “Marine Fisheries Resources of Andhra Coast” in Mandal Parisath Development Office, Pusapatirega, Vijayangaram District, Andhra Pradesh on 23.01.2014. Dr. Phaniprakash, Assistant Director of Fisheries inaugurated the workshop. The workshop was arranged exclusively for the benefit of the coastal communities and end-users on the development of marine fisheries of North Coastal Andhra Pradesh.
