

Visit of 28 VNC/MFC 2nd year students to Chennai Base of FSI (25.03.2025)

A group of 28 VNC/MFC 2nd year students, accompanied by two faculty members from the Central Institute of Fisheries Nautical and Engineering Training (CIFNET), Kochi, visited Chennai Base of FSI on 25.03.2025. They were briefed about the organizational activities and the marine fish and fisheries in India. They also visited the departmental survey vessels, Matsya Drushti and MFV Samudrika. Onboard the vessels, the navigational, electrical and electronic equipment, life-saving and fire-fighting appliances were demonstrated to them in detail.
